

50 YEARS *of* COMPASSION

“Light Up the Darkness”: Matthew 5:13-16
February 5, 8-9: Cam Huxford, Senior Pastor

Jesus starts the Sermon on the Mount by teaching that God will work through anybody who is available!

Jesus also teaches that real faith makes a real difference!

Salt has a powerful presence.

If you've reduced your spiritual saltiness...you can get that back if you want to.

High potency followers of Jesus add flavor to school classrooms, integrity to business places and purity to places that would just rot without them.

If His light is in you...it's hard to hide.

If the light of Christ is in you, it will light up everywhere you go.

The legacy of our church: We bring people to Jesus, build them up in Jesus and send them out to serve Jesus.

Five for the Drive

A family conversation starter for the ride home

1. Jesus compared His followers to salt and light. What do these metaphors suggest about our role in our family, neighborhood and workplace?
2. In what ways does the world try to persuade you to lose your saltiness?
3. When are you tempted to hide your light?
4. Is your light shining like a 300 watt bulb, 75 watt bulb, or a night light? How can Jesus help your light shine brighter?
5. Think of two to three ways you can be salt and light to the people God has placed in your life?
