

# It's Complicated.

"It's Not You, It's Me, Selected Scriptures: April 13, 16-17, 2016  
Harrison Huxford, Statesboro Campus Pastor

---

We were created in the very image and likeness of God.

1. There are things in us that were designed to directly reflect the character and uniqueness of God.
2. Humanity was then given responsibilities as God's representatives on earth.
3. We were created with the capacity to have a unique relationship with God.

Even though the reality of our ONENESS with God and others has been shattered, our LONGING for Oneness remains.

That which we base our IDENTITY on determines our value and worth.

It is insanity to believe that an eternal longing can be satisfied by temporal means.

Jesus is the only one who can actually lead you to your truest self because your truest self is only found in HIM and restored THROUGH Him.

You need to focus on BECOMING the right person instead of looking for the right person.

## **How do we become the right person?**

1. Train the INNER life for godliness.
2. Seek help in seeing OUTSIDE yourself.

Here are some passages to help you see outside yourself:

- *Proverbs 4:23-27*
- *Psalms 51*
- *John 15:1-17*
- *1 Corinthians 13:4-8*
- *Colossians 3:1-17*

"What is it like to be on the other side of me?"

## **On being single:**

1. Being single is a gift.
2. Don't buy into the limited view of love our culture communicates
