

It's Complicated.

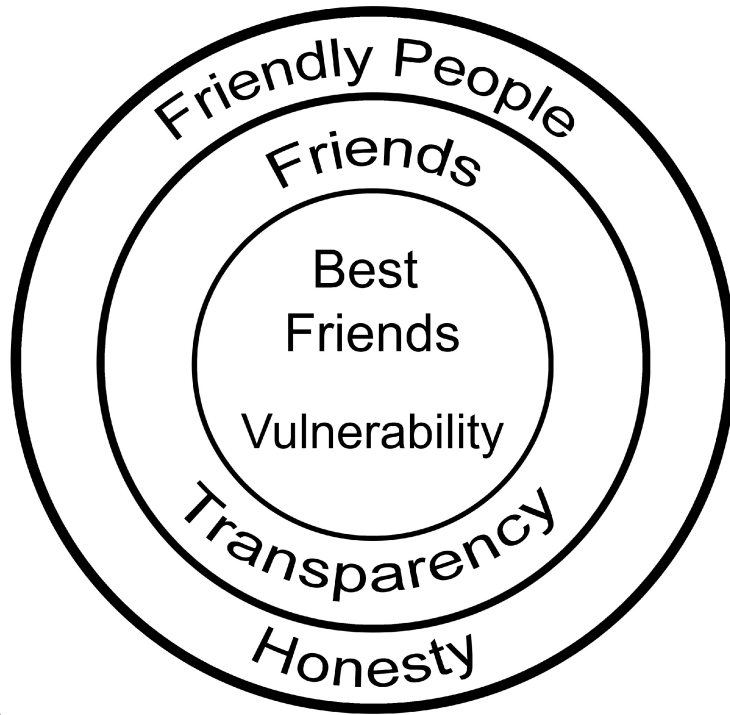

"DIY Friendships", Mark 2:2-12: April 20, 23-24, 2016
Cam Huxford, Senior Pastor

Friendships are an amazing relational gift.

"The one factor that explains the difference between happy people and unhappy people is significant and meaningful relationships." - National Opinion Research Center

"Loneliness is not the absence of faces; it's the absence of intimacy."

Romans 12:18; Proverbs 11:14

Different ways to develop a great friend:

1. Who do you allow to see your stretcher?

"If you want to be a friend or have a friend...you can't always be the strong one." - John Ortberg

2. How committed are you to being a friend?

3. When are you going to position yourself to be a friend?

4. What are you praying will happen for your friend because of your faith? *John 15:15*

A friendship with Jesus will definitely be complicated...but it will change everything for good!
