## “Trust the Power of the Spirit”, Romans 5:1-5

September 25 & 28, 2016: Harrison Huxford, Statesboro Campus Pastor

---

Trusting in the power source, instead of trying to be the power source.

*“Therefore, since we have been justified by faith, we have peace with God through our Lord Jesus Christ. Romans 5:1*

*Through Him we have also obtained access by faith into this grace in which we stand, and we rejoice in hope of the glory of God.” Romans 5:2*

*“And hope does not put us to shame, because God's love has been poured into our hearts through the Holy Spirit who has been given to us.” Romans 5:5*

### **Trusting the power of the Spirit it gives you two incredible things:**

Courage - *“But you will receive power when the Holy Spirit has come upon you, and you will be My witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth.” Acts 1:8*

Confidence - *“Not only that, but we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope,” Romans 5:3-4*
