

FIVE EASY WAYS TO WRECK YOUR LIFE

“Embracing Discontent”, Philippians 4:11-13

February 26 & March 1, 2017: Harrison Huxford, Campus Pastor

Appetite > Source = Discontent

Source > Appetite = Content

I. **Why Do We Struggle with Being Discontent?** *Jeremiah 2:11*

- We exchanged something very valuable for something else that does not profit us. *Jeremiah 2:12-13; John 4:13-14*
- You can't have living water until you get rid of your cisterns!

II. **How Do We Become Content?** *Philippians 4:11b-13*

- Paul's independence is fueled by his full dependence on God.

Two things to help us become content:

1. Become an expert at exposing cisterns.
2. Become a student of the source.

“The people stood far off, while Moses drew near to the thick darkness where God was.” Exodus 20:21
